The following are answers to Bidders' questions received on the above project. These answers do not modify the Contract. Any modifications to the Contract will be through an Addendum.

Q-1: Section 15 of the Instructions to bidders: "Accordingly, a partnership/joint venture must file its partnership/joint venture agreement, a corporation must file its articles and bylaws, a limited liability company must file its certificate of organization and article of organization and regulations, and a limited partnership must file not only limited partnership agreement and the certificate of limited partnership, but also the documentation for its general partner, and any Bidder must file a copy of any assumed name certificate, or such limited portion of such documents reasonably establishing signature authority." Does a Corporate Resolution satisfy this?

A-1: Yes.

Q-2: Instructions to Bidders repeats calls to Section 00820, which we cannot find in any of the bid documents. Where can we find this section/is that applicable to our bids/was it taken out of the packet?

A-2: Section 00820 is not applicable to this project.
